

Logo Reveal – After Effects Template

01 // User Guide

Thank you for using Enchanted Media!

Once you've enjoyed using this free project why not take a look at some of our other amazing After Effects templates at <https://www.enchanted.media/after-effects-templates/#all>

Please note that, as a free file, item support will be limited – though our full **Terms of Use** still apply.

Please visit <https://www.enchanted.media/terms-of-use/> for our full Terms of Use.

Logo Reveal – After Effects Template

02 // Logo & Text

In the Project panel open the folder **01. Edit Comps**

Place your logo (or type in some text) into the composition **Logo Here**

Type your tagline or URL into the composition **Tagline Here**

Please note the template uses the free font **Montserrat Semi Bold** but you can use your own.
